

# STUDENT COUNCIL

The fifth grade teachers are excited to once again serve as the advisors for the Student Council for Stough Elementary School. Our Student Council is a group of student leaders who work to make our school and community better by being good role models, building school spirit, working across grade levels to make decisions, and participating in community service projects. Students in 3<sup>rd</sup>-5<sup>th</sup> grade may apply for positions on the Student Council. Meetings will be held on the first Wednesday of each month at 8:00AM in Room 303. This is the ultimate chance to serve Stough and build citizenship skills! The council chooses the activities they want to participate in during the year. Past projects have included a hat/mitten drive for Interact, a food drive for Wake Relief, a field trip to restock the food pantry at Wake Relief, and Stough Spirit Weeks. If you want to make a difference in your school and your community, then this is the club for you!
