

# MEET MR. BROWN

Hi there,

I'm Josh Brown, and I am looking forward to working with you this year! This will mark my thirteenth year as an educator. Previously, I taught first grade, third grade, and even kindergarten. Fourth grade has been my favorite grade level so far, and this will be my fifth year teaching fourth grade. This is my third year at OCE!

I am originally from Pennsylvania (Indiana, PA), so I am a big Pittsburgh Steelers and Penguins fan. Much of my family still lives in and around Pittsburgh, PA although my mother has relocated to Tampa, Florida. I've been in North Carolina for about 10 years, and I absolutely love this state!

In my free time, I enjoy disc golfing, ball golfing, running, camping, and almost anything else outdoors. I enjoy listening to music or podcasts, and I also enjoy board games. I have over 50 board games in my collection!

I hope to meet you soon, and I cannot wait to learn all about YOU! I'm sure we will have a remarkable year together. Please feel free to contact me ANYTIME with your questions or thoughts.

Kindest regards,  
Mr. Joshua Brown  
4th Grade Teacher, Track 4
