

Hello Second Graders!

Welcome to my class! I am so excited to meet you and get to know you. Let me tell you a little about me:

I have two boys, Jacob, who is 20 years old and Caleb, who is 12 years old. They are full of energy and love to laugh. Jacob loves to play soccer and hang out with his friends. Caleb loves anything about having fun and clowning around with his buddies. Caleb will be in seventh grade this year.

What do you love to do?

My husband helps teach college students writing. We live in Holly Springs along with our cat, Lego (short for Legolas). We love to travel. Our latest trip was to Costa Rica. It was amazing waking up to the toucans and monkeys each morning. I have also been to Australia and Aruba. The Aruba trip might be my favorite because I love the beach! Have you traveled anywhere? I have taught for over 10 years. Before teaching 2nd grade, I taught 1st grade for 3 years. Second grade is my favorite by far!

This year, we are going to have fun and work hard. We are going to encourage each other and be challenged by each other. We may be a little silly, too. I cannot wait to meet you!

Love,

Mrs. Donaldson
