

Welcome to Track Three Fifth Grade!

Welcome to Fifth Grade! My name is Ms. Trainor and I will be your Math, Science and Social Studies teacher. I am excited to welcome you into your new classroom! I have been a classroom teacher for seven years but I have worked in education for sixteen years. This is my fourth year at Olive Chapel Elementary and my third year teaching Fifth Grade. I have also previously taught Fourth, Second and First Grades. I was born to be a teacher, and you will soon see how excited I get about learning!

Along with being a teacher, I am also a mother to a 9th Grade daughter and 6th Grade son! We have two cats, Nightingale and Brody. We have lived in Apex for eleven years, having moved here from Rhode Island. We are huge Boston sports fans. I also love spending time at the beach and visiting children's book stores. And I am excited to meet you soon!

Hi! I'm Miss Sullivan and I am going to be your Reading teacher! I am so excited for this new school year and all the fun we are going to have! I cannot wait to meet you all! This is my fourth year teaching and I have been in Fifth Grade at Olive Chapel just as long. I LOVE Fifth Grade and all of the great things we get to learn about.

When I am not at school I love to spend time with my friends and family and relax at the pool or the beach. I love all of the great places our state has to explore. I love to read almost anything but, Harry Potter is one of my all time favorites. I'm about to start the books over again for the THIRD time! I have lived in Apex almost my whole life and, I was actually a student at OCE as well and I loved it so much I came back to teach here! I cannot wait to get to know you this year!

We have a few items that your student is going to need that were not included on the school supply list:

- A book box to keep all of their ELA belongings in so they are not carrying them back and forth between classrooms. We prefer a metal or plastic one because the cardboard ones fall apart rather quickly.
- A "squishy binder" or trapper keeper. This makes the transition from classroom to classroom much easier. We use this to help build a level of organization that they will need going into middle school!
