

Welcome to Third Grade! This is a great year because you learn so much about becoming independent! My name is Mrs. Walsh and this will be my 17th year teaching. It will be my 11th year in Third grade. Reading is my passion and I hope to help you love it even more than you do right now. When I'm not busy teaching, I can be found reading, cooking, playing with my pug, or hiking. I also really enjoy doing jigsaw puzzles. Please bring all your supplies on our first day of school, August 17, because we will start working straight away. Please have mom or dad email me at [dwalsh2@wcpss.net](mailto:dwalsh2@wcpss.net) and let me know how you will be getting home that first day of school. You can also email me any questions you have about third grade. I hope you enjoy the time we will have off this summer, that is rare for a year round school. Don't forget to do some reading to keep your mind sharp! I look forward to meeting you on August 17!
