

# GREEN HOPE HIGH SCHOOL

## WORLD LANGUAGE

**CDM** *Credit Demonstrated  
by Mastery*

## DO YOU SPEAK A LANGUAGE OTHER THAN ENGLISH?

Students can present proficiency evidence through approved, nationally normed assessments and receive high school credit(s).

### PREAPPROVED LANGUAGES

Families should visit the link below to see if their language is available through Avant assessments.

*If a family wishes to pursue a language other than the ones available on the Avant site, they must seek prior approval from WCPSS by contacting [CDMquestions@wcpss.net](mailto:CDMquestions@wcpss.net) so that an assessment can be identified/approved.*

Email [cdmquestions@wcpss.net](mailto:cdmquestions@wcpss.net)  
to start the process

<p>What score does a student need to achieve on an approved, nationally normed assessment in order to receive 2 World Language credits?</p>	<p>The student must achieve a <b>minimum of <u>Novice High level</u></b> on the assessment. (By proficiency standards, the lowest score on the assessment is considered to be the earned proficiency level.)</p>
<p>Can a student take an assessment for a language taught at Green Hope?</p>	<p>Yes, however, they will have to pay for the assessment themselves (and schedule the assessment session). Taking the assessment on their own offers flexibility in when they take the test.</p>
<p>Can a student participate in a language school / academy outside of WCPSS and request credit based on the transcript / completion of that school's program?</p>	<p>No. Students must submit scores from an approved, nationally normed assessment in order to be considered for the awarding of credit by WCPSS.</p>
<p>Who is responsible for scheduling, registering and paying for assessments for these languages.</p>	<p>The student / parent is responsible.</p>
<p>If a student earns credits in a language other than what their school offers, will they be approved for continued learning via NCVPS.</p>	<p>No. Magnet program languages will only be approved for classroom or NCVPS instruction when the student is enrolled at a magnet school.</p>
