

Good afternoon, this is Steve Mares, principal of Athens Drive Magnet High School, with announcements for the upcoming week. A copy of these announcements will be posted on our school website (<https://www.wcpss.net/athensdrivehs>), emailed and texted to our school families, and linked to the PTSA Athens Alert newsletter (<https://athensdriveptsa.com>).

NEW OR UPDATED ANNOUNCEMENTS:

INCLEMENT WEATHER: Thank you for your understanding of Wake County Public School System's (WCPSS) decision to release students early on Thursday and close schools for today. Please know that WCPSS is utilizing banked instructional school hours to make-up instructional time for this school day, so there will be no Make-Up Day for students. I look forward to seeing everyone back at school on Monday, February 24th for another great day of teaching and learning!

ACT: Please remember that we are administering the ACT to all Juniors on Tuesday, February 25th. Please know that this administration is exactly like an ACT Administration on a Saturday when they are usually held. Please know that students are not allowed to have phones in their possession, and they are not allowed to access them during breaks as well. If a student accesses a phone or if a phone sounds during the ACT, that student's score will be invalidated. Students will also need to have a valid Photo Identification in order to enter their Testing Session. Thank you for your support in helping us administer the ACT with integrity.

CURRICULUM NIGHT AND RISING FRESHMEN ORIENTATION: On Thursday, February 27th, please attend our Curriculum Night and Rising Freshmen Orientation. Beginning at 5:30 p.m., curriculum information will be provided for each Class to assist families in preparing for Course Registration for the 2020 – 2021 School Year. We will have Counselors and Staff members available from all our Departments to assist with sharing curriculum information in addition to information regarding Clubs, Arts, and Athletics. In addition, we will be welcoming the Class of 2024 to The Drive! The evening will begin at 5:30 p.m. and end at 7:00 p.m. We look forward to sharing information and welcoming our newest JAGS to The Drive!

SENIOR NEWS: Senior Families, as we are one week away from finishing February (and only 68 school days left until Graduation!) it is important to make sure you and your Senior are ready! First, have you ordered your Cap and Gown from Jostens yet? If not, please go to Jostens.com and order as soon as possible! Jostens will be distributing them on Thursday, April 2nd during both "A" and "B" Lunches! Second, make sure your Senior stays on track to pass all their classes and Graduate! Third, think about tickets to Graduation. Each Graduate will receive 6-tickets to Graduation at the mandatory Graduation Practice on June 8th (your Senior must attend the Graduation Practice in order to participate in Graduation!). It is unclear at this time if there will be any extra tickets available beyond the six tickets you will be provided. Mr. Remaley will be sending out updated information as we get closer to Spring Break. Finally, please be sure you are receiving the Remind Senior Class text message! Do you need to join? Text the message: @remaley-5 to the number 81010. If you have any Senior questions, please direct them to Mr. Remaley (cremaley@wcpss.net).

PTSA MEETING: We will have a PTSA Meeting in the Library on Tuesday, February 25th beginning at 7:30 p.m. Please note the different start time—we have moved the start time back one hour so that families can attend the Spring Sports Parents Meeting and then come to the PTSA Meeting. All students and families are invited to join this meeting!

CAMPBELL UNIVERSITY VISIT: An Admission Counselor from Campbell University will be meeting with students that are interested in learning more about Campbell University. The Meeting is scheduled for Wednesday, February 26th, from 10:30 a.m. until 11:10 a.m. Students that are interested in meeting with the Campbell University Admission Counselor must sign-up in the Student Services office by Monday, February 24th. MINI REGIONAL COLLEGE FAIR: A group of seven regional College Admissions Representatives will be at Athens Drive Magnet High School on Wednesday, March 4th, during both "A" and "B" Lunches. Appalachian State University, East Carolina University, Johnson & Wales, St. Andrews University (NC), UNC Greensboro, UNC Wilmington, and the University of South Carolina will have Admission Representatives

available to speak to students about their Universities, Programs, Financial Aid etc. The Admission Representatives will be in the Gym Lobby during both "A" and "B" Lunches on March 4th to meet with students. This is a great opportunity for our students who are interested in attending any of these Universities!

YALE UNIVERSITY VISIT: A Representative from Yale University will be available to meet with students that are interested in learning more about Yale University. The Meeting is scheduled for Friday, March 13th, during both "A" and "B" Lunches in the Reference Area of the Library. WOMEN'S BASKETBALL STATE PLAYOFFS: We will be finding out this weekend who our Women's Basketball team will be playing in the First Round of the State Playoffs on Tuesday Night, February 25th. It will be an away game and we are proud of their accomplishments this season! I look forward to cheering them on and moving forward towards a State Title!

SPRING SPORTS PARENT MEETING: We will be holding our Spring Sports Parent Meeting beginning at 6:30 p.m. in the Main Gym. All families of student athletes participating in Spring Sports should attend this meeting. Prior the meeting we will have a signing ceremony for a few of our student athletes that are signing their college letter of intents. I am sorry that I will not be able to attend our Spring Sports Parent Night on Tuesday Night since I will be attending the First Round Playoff game for our Women's Basketball Team, but I do appreciate all our family members who will attend and support our student athletes.

ATHLETICS UPDATE: I continue to be excited about the direction of our Athletic Department and excited to start our Spring sports! We are coming off a fantastic Winter Season that saw us finish in Second Place in the Conference for the Wells Fargo Cup. We play in the most competitive conference in the State and a Second Place finish is great progress for our Athletic Program! I am also proud of the spirit that I have seen during Spring sports tryouts and the start of Spring practices! One of the achievements that I am very proud of is that The Drive is the only school in the Tri-8 Conference, and one of only a few in the County and State, that is going to field all Junior Varsity and Varsity teams this Spring. That says a lot about the outstanding student athletes, coaches, and leadership we have in our Athletic Program! I appreciate all the participation in Athletics, and I am thankful for all of us representing The Drive in only the highest of standards!

ATHLETICS: Please continue to check the Athens Drive Athletics website (www.wakecountyathletics.com/athensdrivehs) for all our game dates and times. Thank you for supporting our incredible student athletes! I continue to be proud of the way our student athletes, students, coaches, and families all represent Athens Drive so well!

THANK YOU! Those are all the announcements for this week. Please continue to check the Athens Drive website (www.wcps.net/athensdrivehs) for general information and to help you stay informed. I hope you all have a safe, enjoyable weekend. Go JAGS and please take care.

SOLAR PANELS COMING TO THE DRIVE! The Athens Drive Magnet High School STEM Energy and Sustainability Academy is excited to announce the installation of a mounted solar panel array on the school's campus! A group of former STEM students, led by Rocco Nociti and including Alexandra Schneider, successfully wrote a matching grant through NC GreenPower to have the system installed. With the additional help of Camilla Araujo, they then proceeded to lead a fundraising campaign to raise the necessary funds to be matched. After a lengthy scheduling and City/School System permitting process, I'm happy to announce that installation time is upon us! By the end of this month, everyone should be able to see the solar panel as they walk up the library entrance to our school. We look forward to utilizing data from these panels to support teaching and learning in our classrooms!

BLOOD DRIVE: We will be hosting another Blood Drive on Saturday, March 21st, from 9:00 a.m. until 2:00 p.m. at 638 Walnut Street in Cary at Crossroads Shopping Center. We are using our competitive spirit with

Cary High School to try to bring in more donors! Athens and Cary High Schools will compete to see who can get the most donors. Each Athens Drive donor will receive a \$20.00 gift card as well as coffee and other refreshments that will be available. We will have 3 buses at this Blood Drive to accommodate the flow of donors. Please make plans to help serve in this way and to beat Cary!

THE 1 MILLION PROJECT: Athens Drive Magnet High School has been selected as one of the Wake County Public School System (WCPSS) schools who are participating in [The 1 Million Project](#). The mission of the 1 Million Project is to help 1 million high school students who do not have reliable Internet access at home reach their full potential by giving them mobile hotspots and free high-speed Internet access. In short, this project gives free wireless hotspots to students in need with the ultimate goal of bridging the homework gap. For students to participate in this program:

- students must be enrolled at Athens Drive Magnet High School;
- have a device that will connect to the internet;
- have limited or unreliable access to internet connections; and
- turn in a signed Consent form.

If you are interested in learning more or signing up to receive a free wireless hotspot, please contact Ms. Burnette (pburnette@wcpss.net) or Ms. Ruthven (kruthven@wcpss.net). Thank you for your support of this project!

FLU SEASON REMINDERS: The peak of the cold and flu season is upon us. We have several cases of the flu in our building among students and staff. To prevent widespread illness in the school, please be sure to follow these guidelines. The best thing you can do is to keep your student home when sick, as this will help stop the spread of illness to other student and teachers. Please keep them home when they show any of these symptoms: fever of 100 degrees F or higher; nausea or vomiting; severe headache; diarrhea; red, watery eyes with yellow drainage; and undiagnosed rash. Students should stay home until they have been naturally without fever for at least 24 hours. If you are called to pick up a sick child at school, plan to arrive swiftly. If you know

your child has been exposed to someone diagnosed with the flu virus, call your doctor immediately to find out what to do. Thank you for your support in keeping our students and staff healthy!

TUTORING PROVIDED BY THE NATIONAL HONOR SOCIETY: I am pleased to announce that our National Honor Society (NHS) will be offering a new tutoring opportunity for any Athens Drive students. NHS will have tutors in the Media Center collaborative space every Monday during both “A” and “B” Lunches. NHS will match students and tutors based on their needs when they arrive at the tutoring session. Please let your students know about this resource and encourage them to participate if they need help. The first tutoring session will be this coming Monday, October 7th. All students are welcome!
