

School: Scott's Ridge**Plan Year** 2016-2018**Date:** Apr - 2016**Mission Statement**

Wake County Public School System will provide a relevant and engaging education and will graduate students who are collaborative, creative, effective communicators and critical thinkers.

Vision Statement

Scotts Ridge Elementary implements the CORE +4 by providing a collaborative community where students build positive relationships and are engaged in rigorous, data-driven learning that will empower students to achieve their full potential. Teachers, parents, and our community will support students by providing a healthy, safe, diverse, and engaging school environment.

Core Beliefs

- Every student is uniquely capable and deserves to be challenged and engaged in relevant, rigorous, and meaningful learning each day.
- Every student is expected to learn, grow, and succeed while we will eliminate the ability to predict achievement based on socioeconomic status, race, and ethnicity.
- Well-supported, highly effective, and dedicated principals, teachers, and staff are essential to success for all students.
- The Board of Education, superintendent, and all staff, while sustaining best practices, will promote and support a culture of continuous improvement, risk-taking, and innovation that results in a high-performing organization focused on student achievement.
- The Board of Education, superintendent, and all staff value a diverse school community that is inviting, respectful, inclusive, flexible, and supportive.
- The Wake County residents value a strong public school system and will partner to provide the support and resources to fully realize our shared vision, accomplish the mission, and sustain our core beliefs.

Value Statement

At Scotts Ridge Elementary, we believe that students learn best when:

- Positive relationships are established with peers and adults throughout the school community
- Parents and community members contribute to the success of the school
- Instruction is rigorous, innovative, and relevant
- Engaged in collaborative activities
- All students are empowered to set high achieving goals
- Teachers collaborate and use data to drive instruction and differentiation
- Teachers value diversity within the school community
- Core subject areas are integrated
- Positive reinforcement is used to encourage appropriate behavior
- Technology and the arts are integrated throughout the curriculum to enhance student learning
