Summer 2021 Assignments

Welcome to AP Literature & Composition for the 2021-22 schoolyear at Sanderson High School. The teachers for this course are Mr. Boltz, semester 1, and Mr. Shank, semester 2. There are two assignments to complete between the end of the 2020-21 schoolyear and the start of your AP Lit course. For those enrolled in the first semester, the due date for your summer assignments is 7/7/21 (that is the Tuesday after Labor Day). For those enrolled in the second semester, your due date will be announced later and will be during the first few weeks of the second semester. Should you have any questions, don't hesitate to reach out to bboltz@wcpss.net or jshank@wcpss.net. Both assignments are posted in our Google Classroom. The invitation link is below.
