

Wake County Public School System presents:
Supporting educators, parents, and caretakers
by exploring

Restorative Practice and Community-Building Circles

This opportunity is designed to expose you to one of the tools of Restorative Practices, the Circle Process. The Circle is a facilitated dialogue process that is INVITATIONAL. It allows participants to share openly and encourages connections and deepening relationships. This training is inclusive to all who have an interest in learning ways to better support children and families during these uncertain times through authentic connections.
