## Youth Exchange Experiences Teens living around the world

In the digital era, the world is becoming smaller while the importance of global citizenship grows. Join us as we meet with current and former exchange students from around the world to promote friendship and understanding. We'll see photos, discuss cultural differences and hear about challenges of living in another country. Bring your questions and any photos or stories of traditions you'd like to share of what being an American means to you!

Program provided by the North Raleigh Rotary Club

Ages: 14-18 Thurs. Nov. 30 4-6 p.m.
