

AIG Nominations

Holly Ridge Elementary School

Who can be nominated?

- Any student can be nominated. Keep in mind that all 3rd grade students will have the opportunity to participate in universal screening in November. The Cognitive Abilities Test (CogAT 7) is used to assess students' verbal, nonverbal, and quantitative abilities and this data may assist in the gifted identification process.

When?

- Nominations are accepted all year, but CogAT and Iowa testing for AIG placement only happens twice a year. Testing for 4th and 5th grade will take place during the following testing window:
 - Fall Testing Window: October 21 - November 4, 2024
 - Spring Testing Window: January 27 - February 7, 2025

How?

- Email Lynn Rustay at Lrustay@wcpss.net with your child's name, grade level, and homeroom teacher.

For additional information about the AIG at Holly Ridge Elementary School, please contact Lynn Rustay at LRustay@wcpss.net or (919)577-1300.
