

Athens Drive Magnet High School: Kickoff to Registration for 2022 - 2023

Drive Time - February 22, 2022

ATHENS DRIVE MAGNET
HIGH SCHOOL

Center for Medical Sciences and Global Health Initiatives

Registration Overview

- We are ready to begin the registration process for our rising 10th, 11th and 12th graders by providing this overview during Drive Time.
- Reminder - Feb 24: Curriculum Night (5:00 - 7:00pm) ~ Students/families can attend to find out more information related to their grade level and course offerings.
- Feb/March: Students will be provided individual appointments with their counselor to discuss registration choices and enter them in PowerSchool.
- Students will be given the opportunity to make changes to their course registration choices until June 10, 2022.

Registration Overview Video

Registration Overview - Review from Video

- To access course registration materials:
 - Go to the Athens Drive Magnet High School website
 - Click on “Students” in the header bar
 - Click on “Student Services” in the drop down menu
 - Click on “Course Registration” on the left menu
 - Use the appropriate grade level document to plan for your courses next school year (each grade level is now on the website)

Registration Overview - Review from Video

- Individual meetings have been scheduled for students to meet with their alphabet counselor to discuss their registration choices and to enter the selections in PowerSchool
- In order to maximize this meeting time, students should review the course registration materials prior to the meeting and come prepared to discuss their choices with their counselor.
- Please communicate with your counselor directly if you have questions about the scheduled meeting.

Registration Overview - Review from Video

- Meeting schedule
 - Feb 22 - Mar 9: Rising 12th Grade
 - Mar 10 - Mar 21: Rising 11th Grade
 - Mar 22 - Apr 1: Rising 10th Grade
- Where can I find out my meeting date/time?
 - Appointment dates/times are posted outside Student Services, on the 2400 hallway, and each teacher has this information.
 - Rising 12th grade is posted on the walls now.

Registration Overview - Review from Video

- Students will choose 11 total courses for their registration choices.
 - 8 “primary” and 3 “alternate”
- Students should be prepared to receive any 8 of their 11 course choices so please make informed decisions.
- April 20: Option Verification Sheets will be sent home to confirm registration choices
- Up until June 10, 2022: Students may email their counselor directly if they want to make a change to their course selections. No changes will be made after that date.

Registration Overview - Credit Detail Report

- Please review your individual Credit Detail Report provided by your Drive Time teacher - this is **not** an official transcript.
- Please note that courses may be listed where credit was not earned (some middle school courses, courses that were not passed, etc.)
 - Course will indicate 1.00 credit if credit was earned for the course
- Review your credit detail - if you have any questions about the information on the report, please contact your counselor directly.
- This report will also help remind you what you have taken/earned credit for as you make your course selections for 22-23.

Registration Overview - Preparing to Register

Remainder of Drive Time:

- Please take some time to explore your grade level registration document on the website and start thinking about what courses you may be interested in taking.
- Review the “Graduation Requirements” tab on the Student Services website and any additional tabs you are interested in learning more about.
- Review teacher recommendations in PowerSchool to help with planning.
- Start making a list of the courses you want to register for in your meeting with your counselor.

Thank you for your attention!
