## Community

Enloe High School is a Gifted & Talented International Baccalaureate Magnet High School in a Wake County residential community inside the Interstate 440 beltline. It is near the state government complex, banking and commercial facilities, and universities, and is 15 minutes from Research Triangle Park. Enloe, a 9<sup>th</sup>- through 12<sup>th</sup>-grade school, has an enrollment of 2,497 students. Its magnet program draws students from all over the county.

## Curriculum

Enloe's program is divided into three main curricular areas: Humanities; Science and Mathematics; and Visual and Performing Arts. Students may choose to concentrate in at least one area of study where classes meet for two-period blocks of time. Areas of concentration include math, science, the humanities, dance, broadcasting, career and technical education, art, and health and physical education. The school offers more than 200 courses, many of which are not offered in other Wake County high schools. These include, but are not limited to, eight world languages, advanced computer science, audio and TV production, and extensive work in performing and visual arts. Enloe offers a Medical BioScience Academy and an Academy of Graphics and Advertising. Dozens of Honors, Advanced Placement, International Baccalaureate and AP Capstone courses are available.

## Schedule

Enloe follows an A/B block schedule. Students take eight classes a year, four on A days and four on B days with classes lasting about 90 minutes. Most courses are offered in yearlong format; some, semester long.

## Accreditation and Awards

- William G. Enloe High has been named a Nationally Certified Magnet School by the Magnet Schools of America.
- It is accredited by the Southern Regional Association and the N.C. State Board of Education.
- In 2018, Enloe was named a "School of Distinction" by the N.C. Department of Public Instruction.
- In 2017, Enloe was named a "School of Distinction" by the N.C. Department of Public Instruction.

## International Baccalaureate Programme

The International Baccalaureate Programme is a prestigious course of study of closely regulated areas leading to an IB diploma. The program integrates a student's work during 11<sup>th</sup> and 12<sup>th</sup> grades in six subject areas in a balanced humanities and science-mathematics program; 154 nations have schools offering diploma programs. Enloe applied for the IB programme and undertook a rigorous self-evaluation, as well as training at IB sites for teachers, and visits from an IB committee, to qualify for the programme.

## Graduation Requirements

Graduation from Enloe High School requires the successful completion of a minimum of 26 units of credit earned in grades 9-12. Students also have to meet established competency criteria, which may include the N.C. End-of-Course testing. Students must satisfy all the course and testing requirements within the Future Ready Core Course of Study.
