### End of Year Teacher Gifts

Hard to believe it's time to start thinking about end-of-the-year teacher gifts, but IT IS! The GiftCrowd tool we used for holiday gifts received such rave reviews, the PTA is utilizing it once more to make those end-of-the-year teacher gifts easy for you to give and a joy for our teachers and staff to receive. Check this off your crazy May to-do list! In case you don't remember or didn't participate in December, this tool allows parents to give monetary amounts and staff can then use that money to purchase gift cards of their choosing. Can you say win-win?

**You may contribute to our fantastic staff [HERE!](#)**

It's been an amazing year, please give generously. Our teachers and staff deserve it.

**Staff will receive their gifts on Thursday, June 7.**

### Please sign up to be a EOG proctor!

Parent proctors are **vital** to our school during EOG testing days. The EOG Parent Proctor Signups is open [here](#). You can also access it under the Signups tab on the left menu. We greatly appreciate all K-5 parents who are able to commit to proctoring. In order to proctor, you need to:

- Have volunteer clearance,
- Be able to walk through rows of desks to view student bubbling alignment,
- Stay from 9:15 AM-12:45 PM, and
- Agree to proctor in a classroom other than your child's classroom.

I will email parents with further communication once they sign up. Thank you for considering to proctor. We really appreciate it!!

Sincerely, Sue Hladik

## Girls on the Run

Root is hoping to host another Girls on the Run team in the Fall of 2018, but we need your help! We must secure at least two - preferably three - coaches. Coaches participate in a one day training this summer and running experience is NOT required. Moms, aunts, sitters, church friends are all welcome to apply!

Girls on the Run is a wonderful leadership, fitness and character development program for rising 3rd - 5th grade girls. Practices would be Tuesday and Thursday on the Root track for 90 minutes right after school. More info about GOTR below. Please visit their website to fill out the coaching application if interested and/or help spread the word that WE NEED COACHES on social media.

Thank you!

At Girls on the Run we inspire girls to recognize their inner strength and celebrate what makes them one of a kind. Trained coaches lead small teams through our research-based curricula which includes dynamic discussions, activities and running games.
