We need your help! Social workers in Wake County estimate approximately 5,000 students in our community are sleeping on floors or sharing crowded beds with others. The Green Chair Project is a volunteer-driven, non-profit organization working with WCPSS social workers and guidance counselors to promote stability and academic success by ending child bedlessness through a program called Sweeter Dreams. To date, Sweeter Dreams has provided 1,721 twin beds to Wake County school aged children (Pre-K thru 12th grade).

**Please consider donating new (preferably gender neutral), twin sized sheet sets, comforters, bed in a bags, and/or mattress protectors. Drop off donations in the Root lobby before **Nov. 27.****

If you would like to order online and direct ship the items, the address is **Green Chair Project, 1853 Capital Blvd., Raleigh, NC 27604.** New beds will be delivered and set-up to WCPSS students by mid-December!
