

Root Elementary STEM Showcase

Please return this slip to school by January 27th.

Name (First and Last): _____

Grade: _____

Teacher: _____

Name of your school partner (if applicable) _____

The question I plan to investigate (please phrase as a question):

I will use (circle one):

Scientific Method

Engineering Process

Research Process

Reverse Engineering

Brief Description:

Science Project Question Checklist:

1. Is your topic interesting enough to read about, then work on for the next few weeks?	Yes/No
2. Can you find at least 3 sources of written information on the subject?	Yes/No
3. Do you have all the materials and equipment you need for your STEM project, or will you be able to obtain them easily and at a very low cost?	Yes/No
4. Do you have enough time to do your project (Projects are due March 8th)?	Yes/No
5. Will you have parent support at home to provide guidance when needed (acquiring materials and resources for research, finding a quiet place for you to work, and will help guide you to correct answers if you have questions)?	Yes/No

I have discussed the project idea and the checklist with my parent(s) and I am willing to commit to following through on this project.
