

2019 DreamBox/Wake County Winter Challenges

DreamBox is excited to announce two different challenges for your schools!

Challenge #1: School Site Challenge

Dates: February 4, 2019 – March 31st, 2019

Who: All DreamBox schools in Wake County

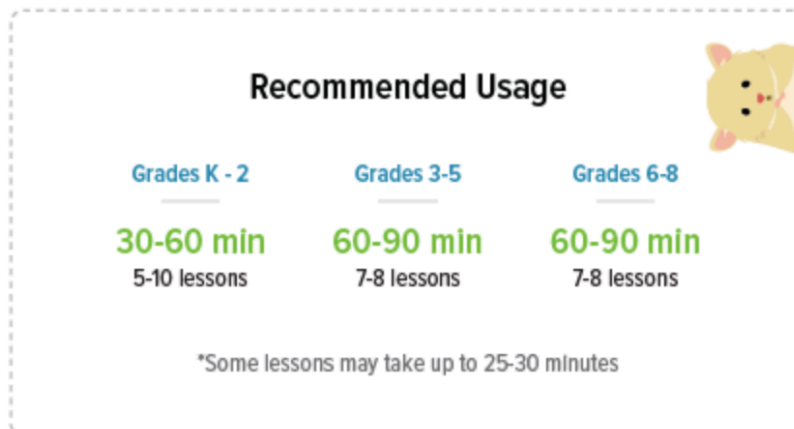

What: Winning classroom at each school will win a pizza party from DreamBox!

Criteria:

- Highest average lessons per week per student
- Every student in the class must complete at least 3 lessons/week.
Note: A week is defined as Sunday through Saturday.
- Teachers must log their average lessons per week on their school spreadsheet.
[Link will be provided by DreamBox.]

Suggestions for Teachers:

- Log into your Insight Dashboard at least once a week.
- Note any Alerts (orange triangles ) for students that may need assistance.
- Identify any misalignment between time spent in DreamBox and number of lessons complete.

- Have students keep track of the number of lessons completed.
(See Resources > Classroom Motivators for calendars)

How to Track Average Lessons Completed/Week

To identify your classroom's average number of lessons completed/week from the Insight Dashboard.

1. Use the drop-down to customize the date.
(Sun to Sat for the required week)

Classes

Students

Custom

From: Jan 20, 2019

To: Jan 26, 2019

Go

2. Locate the average lessons/week and record this on the Google Sheet.

Classroom ↕	Avg Active Students	Avg Min/Wk	Total Time	Avg Lessons/Wk	Lessons Completed	Avg Standards Proficient
Hinsley 3rd-5th Math Class (WA)	14.1 (94%)	80 min	19.2 hr	7.4	106	0.1

3. Select your class and check that every student has completed at least 3 lessons. Include any relevant notes on the Google Sheet.

Challenge #2: School of the Month Challenge

Each month, DreamBox will track a different progress metric. The winning school for that month will receive a DreamBox School of the Month trophy to display for the next month!

February: Student usage

- School with the highest average lessons completed per week
Note: This month's metric aligns with the school challenge.

March: Teacher Dashboard Usage

- School with highest average number of logins per teacher.
Note: Every classroom teacher must log in at least once during the month.

April: School Growth

- School with the highest percentage of growth.
Note: When students complete lessons at ANY grade level they will show growth in DreamBox. See the Growth and Proficiency table in the Student Overview Report for additional information.
