

Principal's Weekly Update
Mrs. Janiece Dilts

Sunday, March 17, 2019

Talent Show: Auditions are Monday, March 18, from 3-4:30 in the Dance Room. Track 1 can request an alternate time since they're tracked out, but they need to contact one of the performing arts teachers. All talents are welcome, but acts should be polished and no longer than 3 minutes. The google form sign up is attached below. Thanks so much!

Volunteer Opportunity from the Fuquay-Varina Teen Council: This group meets every second Monday of the month at 6 at the community center. They help with community wide events and other events, like helping out at nursing homes. They are very involved in community service and the community around them! They are looking for new members to come to their next meeting, which will also be an interest meeting for new members, on March 11. They would really love to help get students more involved within the community! The student who shared this with me use to go to Holly Grove Middle School and started volunteering with this club in 6th grade. It has really changed her and helped her get more involved in the community, it is also a great way to get NJHS hours.

Athletics: Our teams are all playing this week. Some of our teams are away and others are at home. Feel free to check out our school calendar for times and locations.

Instructional Spotlight: The 7th grade science students are learning about the circulatory system. Ask your students how oxygen is pumped to and from the heart.
