

# MPMS Morning Carpool Map

Doors open at 7:45. Please do not drop your students off before 7:45.

1. Enter the campus at the Mills Park Schools sign. At this point you will notice the blue stripes indicating the carpool path.
2. At 7:35 the left turn lane into the middle school will be blocked with cones. From 7:35 until the end of morning carpool, you **MUST** continue to follow the blue lines into the elementary school parking lot.
3. **PROCEED WITH CAUTION.** Please stay on the path of the blue lines through the parking lots. The staff at the elementary school, as well as parents and students for the elementary school morning care, will be arriving. Please do not drive through the parking spaces and keep your speed low.
4. Please continue to follow the blue lines as they weave up and down the middle school parking lot lanes. Be mindful of staff members who may be walking through the lot.
5. The first car of each carpool wave must pull up to the stop sign at the front of the school. The length of the front of the school is the carpool drop off area. Do not allow your students to exit the car until you have passed the cone/fire lane. Please make sure they are ready to exit the car as quickly as possible.
