WELCOME AND OPENING STATEMENTS : President Laura Stanziale

During the 2020/2021 school year, the PTSA has funded and assisted with several programs supporting LRMS:

- ***School Improvements:*** The PTSA over the past school year has been able to fund 11 new touchless water fountains that are installed and currently being used by staff and students in the building. 12 new benches were also purchased and will be delivered and installed in the next few weeks. These will be used for an immediate need for social distancing during lunch and class times. In the future, they can be used to offer seating for outdoor classroom/learning opportunities.
- ***LRHS/LRMS Math Tutoring:*** Many thanks to Ms. Haymore for organizing and supervising this unique experience we have with both schools. It has been a great success!
- ***Camera On Challenge:*** The PTSA worked in conjunction with the staff to encourage students to leave their cameras on during virtual learning for a week in order to encourage more student engagement. There was great involvement and the PTSA was able to reward many students with LRMS spirit wear.

- *Staff Appreciation:* The PTSA has provided boxed lunches, coupons, and treats to the staff throughout the school year.
