

# LRMS Store Links for Fundraising

## No extra \$ from your wallet - Just link up!

It's time to re-link your shopping cards so that LRMS PTSA can benefit from the money you spend in our local stores. Thanks to the store links, we can easily raise additional money for the projects we have planned for our school and students. During the 2015-16 school year, we raised almost \$4,000 with passive fundraisers. Link up today & help our PTSA programs surpass last year!!

Last year LRMS raised over \$1,800.00 through participation in the General Mills Box Tops for Education program. Our goal for this year is \$2,000! Help us reach this goal by clipping and sending in your General Mills Box Top coupons - each one is worth 10 cents to our school; every one can make a difference!

Clip and have your student turn the box tops into their homeroom teacher. Our first submission will be in mid-October. There will be incentives for students and teachers who turn in the most! Be a Winner - Start Clipping and Return Yours Today!

You can also shop through the [www.boxtops4education.com](http://www.boxtops4education.com) marketplace and earn ebox tops for the school. The marketplace has links to websites, such as Target, Nike, Lands End, Gap, and WalMart, where you can earn ebox tops for every \$10 spent on their products. If you are an internet shopper, this is a great way to earn bonus box tops for LRMS!
