

Reedy Creek Title I Family Engagement Policy 2021-2022

Policy Engagement: The Reedy Creek Elementary School Staff and Parents believe it is important that we as a community work together to ensure our students' success. In order to hear from you regarding our Title I Family Engagement Policy we will:

- Provide information about being part of a Title I school via the school website in September.
- Continue to support the Parent and Community Advisory Council that serves as a group of leaders and provides guidance around engagement for Reedy Creek Staff.
- Share a copy of the policy with families and provide a form where feedback can be shared.

Shared Responsibilities for High Student Achievement: The shared responsibility expectations are reflected in our Home-School Compacts.

Building Capacity for Engagement: Supporting both our families and staff in growing their capacities for engagement is crucial to our success. In order to ensure this happens, we will:

- Hold Family Summit events given by various staff members to strengthen our culture and provide training/tools/information for families to better support their student growth.
- Provide multiple conference opportunities where families and teachers can set common goals for students and discuss appropriate learning resources.
- Support our PTA to engage families and community members.
- Provide professional development to our staff that is responsive to the results of the annual Title I Family Survey.
- Use Talking Points to promote two-way communication/translation of school information to ALL parents, also allowing parents to translate from their language to English to answer and ask questions.

Accessibility: Through building a relationship with our families, we will learn how to best meet your needs for engagement with Reedy Creek Elementary School.
