Welcome Back To School

Principal’s Message

I would like to welcome everyone to the 2013-2014 school year at Enloe Magnet High School. We are in the process of planning for a wonderful school year! We welcome our new freshmen and other students to the great family of Enloe Eagles.

Mark your calendars for our Meet the Teachers Open House for all parents on Thursday August 22 at 6:00 PM starting in the Enloe auditorium. Like last year, this will replace the open house that previously took place in September and will include parents going through their student’s schedule. During this time, the teachers will give a short presentation on the curriculum and what they will teach in their course, including expectations, grading policies, etc. That will give parents the opportunity to meet their student’s teachers and receive this valuable information about their classes before the school year starts. Students do not need to attend, as they will meet their teachers on the first day of school. This will provide enough room in each classroom for parents. If you are unable to attend the open house, all information will be distributed on the first day of school.

This year, all schools in Wake County Public Schools will move to a new online student information system called Home Base. Home Base will replace NC WISE and SPAN starting this school year. Home Base gives parents and students access to real-time information including attendance, grades and assignments. Home Base will be available to all parents starting in the first quarter of the 2013 – 2014 school year. Account information will be distributed at Enloe when it is available. When you receive the access ID for your student(s), please keep it/them in a secure and private location so that you are the only one that has access to this information. More information will follow in future communication.

We value our stakeholders and look forward to another great year of working together. We encourage all of our parents and other community members to register as a volunteer with the Wake County Public School System. The process is relatively simple and just requires a few moments of your time. You may go to any Wake County School System site and register through the intranet. This system will be available from July 1 - Oct. 31, 24 hours a day. For your convenience, we will have a computer lab available during the August 22 open house for parents to register to be approved as a volunteer. Beginning Nov. 1, 2013, the Volunteer System will be available on Mondays only from 8:00 am – 4:00 pm. Individuals who were approved as volunteers last year MUST reactivate as a volunteer no later than 4:00 pm on October 31, 2013. We value you as volunteers and encourage you to complete this process this summer or early this school year. Continued on Page 3

Thoughts From Your PTSA President...

Welcome to another enriching and exciting year at Enloe HS! Our students are at Enloe for so many different reasons: to attend their neighborhood school or the school their parents attended; to develop their creativity in the renowned arts electives; to explore global understanding in the IB programme or choose from the huge selection of AP classes; to swim, play basketball, or march in the band. Whatever brings your family to Enloe, know that it is a special, unique, diverse school where every student can find their niche (maybe several)! And the PTSA is here to be YOUR niche, your place to belong, at Enloe!

So what does the Enloe PTSA actually do? You’d be amazed. We are involved in almost everything! We are here for Enloe, for its students (your children), for its teachers. PTSA committees beautify the school with new landscaping, increase carpool safety and efficiency, acknowledge our honor roll students, and support enrichment programs to meet the academic needs of all students. The PTSA gives out over half of its budget in teacher grants for equipment, books, workshops, field trips and projects that allow teachers to enhance the curriculum and excite learning. We thank the teachers for all their hard work with numerous appreciation events, welcome our freshman and their families at Flight School, and congratulate our seniors with an awesome graduation reception!

And we are always here for you! The PTSA sends out this newsletter with all the information you need to start the year and a weekly E-news with vital school news and events. (Sign up at enloehsenews-subscribe@yahooogroups.com you NEED E-news!!) We offer monthly PTSA meetings with programs on current topics of interest: Home Base, the new scheduling and grading program, Driver’s Ed (yes, it’s that time!), college financial aid (and that time too!), and student stress and ways to help manage it.

PAINLESS FUNDRAISING

Do you or your family members shop at any of these stores? If so, you can make money for Enloe.

In addition to the silent fundraiser, these customer rewards programs are a significant source of income for Enloe PTSA. The Target REDCard Program alone has provided nearly $30,000 to Enloe over the years.

Please feel free to share this information with grandparents and other family and friends -- even those who live far away. Every bit helps!

Don’t forget to re-link grocery cards every year & new families should add Enloe to their cards.

From Your PTSA President continued...

But here’s the catch – we NEED you! We are only as strong as you are committed and involved! We need you to join and be active members of our PTSA. We need you to donate as much as you can to our ONE, yes just one, FUNDRAISER – The Super Silent Phantom Fundraiser! When you think about your annual contributions and what you spend money on during the year, what is more important than contributing to your children’s school, the place that educates and shapes them every day! (Look for the PTSA membership and contribution form in this packet!) Admittedly, we want your money, but we also want you! There are many types of volunteer positions, large and small, for people with many different interests and skills. Our volunteer coordinator, Hunter Buxton, will be happy to help find a niche for you at Enloe. Secret tip – it’s a great way to meet other parents, find out what’s going on at school, and feel connected! Her email is: hunterbuxton@gmail.com

The PTSA is always open to your questions, requests, needs, ideas, and suggestions. Share them with us and join us; and together let’s make this an AMAZING year at Enloe!

Principal’s Message continued…

The PTSA, Enloe Athletic Boosters, all of our performing arts booster organizations, and all of our other parent organizations provide tremendous support to all of our school programs.

Without these strong organizations, we would not have the human and financial resources to be the outstanding school we are today. So, I encourage you to support your school community by joining, volunteering and/or donating to these organizations. Thank you!

I am confident we are going to have a great year. As always, thank you for your involvement and support. Your support helps make Enloe Magnet High School the best high school in Wake County!
