

Puppy Love

By : Meghana and Prisha

Have you heard? Ms. Sykes is getting a new Maultipu! It's a newborn puppy. It's a boy. He's pretty quiet for a puppy. He's white with barely any fur and was born with his ears and eyes shut. Ms Sykes is getting the puppy from a family in Raleigh and will bring the puppy home on April 8, 2017.

Ms. Sykes is going to name the puppy Grady. Grady has grown some more fur now that he is older and is adorable. Ms. Sykes chose a puppy as a pet because she wanted to do something that was extra special for her birthday. Ms. Sykes is really wild about Grady and so excited he's going to be hers.
