

SUPER MARIO RUN

BY: HAROON AND ISHANT

On March 26th, 2016 Nintendo released a game called Super Mario Run.

This is the front of the book.

The creator Of the game made it for the Iphone and the I-Pad.

The creator made 6 characters to play as in the levels. There are 5 coins. There are different colors pink is easy. Purple is medium. Black is hard. You choose which one to use. If you get all pink you get purple. If you get all purple you get black. If you get all black you get to the next level. There are 6 worlds. There are 4 levels in each world. Three levels are normal levels. The last level is the boss of that world. There is a part in there that is called toad rally.

You get to play against other people in the world and whoever has the most toad's win. At the main screen where Princess Peach's castle is, you can design the place. By playing toad rally you can earn prizes and place them there to design.
