

# PHMS Holiday Gift Card Drive

'Tis the season for our PHMS community. The student services department is sponsoring a gift card drive this holiday season. We are looking for donated gift cards to assist families that could benefit from some holiday assistance. If you'd like to donate one or more gift cards, then we ask the following:

- Please provide gift cards to one of the local grocery stores (Walmart, Harris Teeter, Publix, Food Lion, etc.) and/or department stores (Walmart, Target, etc.). This allows us to meet specific -or- multiple needs for our families, i.e. food and/or gifts.
- Though multiple gift card donations are welcome, we respectfully ask that each card doesn't exceed \$25. This helps with evenly distributing the gift cards to our families.

If you are interested in donating a gift card, then please do so by **Wednesday, December 15th**. Donation gift cards can be dropped off at the front receptionist desk in the main office.

Families that can benefit from some holiday assistance, we ask that you reach out to your child's grade level counselor so we can add you to our confidential list of recipients. Gift card distribution amounts to recipient families will be determined by how many gift cards we were able to collect during this drive.

As December 15th approaches, the counselors will reach out to the recipient families to coordinate a pickup date/time. Never hesitate to reach out to your grade level counselor if you have questions on "giving" or "receiving".
