

Love of Learning

A person who has a love of learning, masters new skills and topics on his or her own or in school.

K and 1st

Watch this [video](#).
After watching,
think about these
questions.

How did Rosie show a love of learning?

Did she face any challenges while she was learning?

Did Rosie show any other character strengths?

2nd and 3rd

Watch this [video](#).
After watching,
think about these
questions.

How does trying something new show a love a learning?

Do you think this experience is more about learning something new, learning more about yourself, or both?

4th and 5th

Watch this [video](#).
After watching,
think about these
questions.

Does love of learning have to happen in school?

How does playing help us learn?

How do our brains work to help us learn?

Now What?

We want to know what new skills or topics you want to learn about. What makes you have a love of learning?
