Kindergarten/Pre-Registration for the 2019-20 School Year

Kindergarten/Pre-Registration began October 15th for the 2019-20 school year! We are encouraging as many parents as possible to please come in to register their children at this time. Why? The sooner we know how many children are coming to a specific school, the better we can prepare.

Initial pre-registration is to be done on-line at wcpss.net (enrollment tab). Apex Elementary will contact you once you have submitted your on-line registration to arrange a time to come into the school to ***finalize the registration.***

Pre-register on-line, make an appointment and bring the following into the school to complete the ***final registration***: (Note: Please present originals. The school will verify the documents, make copies and return the originals at time of registration.)

What to Have on Hand:

- **Proof of residence**
