YEARBOOK

The creation of the 2020-2021 yearbook is underway! The PTA Board has opted for a modified format from previous years, which will be a better representation of our current situation. Be on the lookout for information soon on how to order yearbooks and ads, as well as how to submit photos of your child(ren)! Do you have photos you want included in the yearbook? Email them to:
carpenterelementaryyearbook@gmail.com
and include your child's name, grade, and teacher with your photos!

THANK YOU to all who have helped support the PTA during this schoolyear! Every little bit helps, and we are grateful for the contributions we received in November and December thanks to our virtual Book Fair, Ruckus spirit nights, and Andia's ice cream sales.

We also appreciate the ongoing income from the R City Rocks program. Simply *text your receipt from the a participating business to carpenter@rcityrocks.com and the PTA will receive 5% of your sale!* Visit carpenterpta.net for details.
