

Questions from the Virtual Open House

Beginning of the Year -Remote learning and Virtual Academy

*Students are being notified this week who their homeroom teacher will be.

*Students will not meet their teacher in person. They may see them during Drive-thru events such as materials distribution.

*All students are assigned a “homeroom teacher”, but may be working with a team of teachers for instruction once PLAN B starts.

*All Virtual Academy students will have one assigned teacher for fall only or full year instruction.

*The first week of school, teachers will meet individually with students/parents to discuss expectations, schedules, supplies, tech information, conference information, etc.

*Currently all Specials will be remote

*Bell Schedule for all DRES students will be 8:20-3:05 daily

*Student Device needs- The district will be contacting parents when their device/hotspot is ready for pick up. This will not be handled by the school. The district will contact parents 3 days before the pick up is ready. If you have a device from the spring that is broken, you may take it to a pick up site during the times they are open to get the device fixed.

*All teachers at DRES are using Google Classroom for instruction this year

*If your child receives services of any kind, students/parents will be contacted by that teacher explaining what instruction will look like.

*DRES will follow the Track 4 calendar for the 2020-21 school year

*All students will be included in Drive-Thru events and Online activities (spirit week, etc) during the school year

Virtual Academy

*Students are assigned to one teacher for VA.

*Students may have a different teacher once we return to the building for PLAN B if they are Fall Only VA.

Plan B transition -return to the school building information will come once a return date is established by the district.
