

Sanderson High School
Request for Early Graduation (June 2022)

Student Name (print):

Student ID #:

I am requesting to graduate one full year early from Sanderson High School, meaning that I entered high school in the 2019-20 school year and intend to graduate in June 2020. By the close of the upcoming school year, I will have satisfactorily met the WCPSS graduation requirements (courses, credits, and testing) that were effective the year I entered ninth grade. I understand that I am also responsible for understanding and meeting these additional requirements:

- 1) Any student interested in graduating a year early must meet with his/her assigned school counselor to discuss eligibility and an appropriate and feasible graduation plan. This must be completed by the end of the student's sophomore year.
- 2) I will submit a type-written/word-processed proposal, addressed to Ms. Dula, indicating the reasons for wanting to graduate high school one year early. The proposal should be turned in to the assigned school counselor no later than May 15, 2021.
- 3) I understand that if participating in the graduation ceremony, I must adhere to all of the policies and procedures outlined in the annual graduation handbook. I understand that I am responsible for all related graduation activities and responsibilities- ordering cap/gown, attending any required informational meetings, attending graduation practice and adhering to all SHS policies concerning graduation.
- 4) I understand that if approved, I have until the last week of the fall 2021 semester to request a change so that I may stay for my entire four years of high school. Please note that schedule changes will not be made to accommodate a change of heart or change of plans and once I have completed my minimum high school requirements. Students are graduated upon successful completion of their requirements.

Please read the following statements and initial on the line preceding each statement to indicate your understanding:
