

Please follow the traffic flow at all times (as shown by the green arrows).

Have your WOES carpool number displayed in your vehicle for staff to call your child outside.

Enter carpool at the traffic circle off of White Oak Church Rd. and proceed to the carpool lane on the side of the school.

Cars waiting in line should use the Carpool Lane. **Please do not wait or park in the Traffic Circle.**

You will meet your child at one of the six, colored cones on the Carpool Pickup Loop.

If your child is not out at the cone on time, please pull in and wait in the handicap spaces at the end of the loop.
