PERSONAL PROFILE

I am originally from the snowy state of Ohio. I moved to North Carolina so I could see the sun for more than thirty days a year! I have been married for one wonderful year and am looking forward to many, many more! I have lived in North Carolina for six years and love it more each year. My husband and I enjoy parenting our dog Abbey, traveling, spending time at the beach and enjoying time with our family and friends.

I have taught seventh grade language arts for the past six years and look forward to another exciting year at HGMS. I love teaching language arts because I enjoy introducing new genres of reading and writing to students that may soon become their favorites.

“All students WILL succeed”
