- Mentor Certified

### PERSONAL PROFILE

I have been teaching in WCPSS for 27 years, and all but two of those years have been in year-round schools. My husband and I live in the Fuquay Varina area where I spent many years being a soccer mom. Now my sons are all adults and live in three different states, with only one here in NC! I am an avid fan of all sports, but I especially love football, soccer, and basketball. In my spare time, I love boating, reading, visiting friends and family in Montana, and baking treats to take to NC State home football games.

**“All students WILL succeed”**
