### PERSONAL PROFILE

I have lived in North Carolina since 2007 and I love it here. I used to live in Maryland where I earned my master's degree at Salisbury University. I am the mother of two boys. Tyler was born in 1992 and Hunter was born in 1996. Tyler graduated from NC University's engineering program in the spring of 2015. Hunter ECU where he will focus on political science and then law. I am a die-hard Wolfpack fan. I love watching college basketball and I try to attend the Wolfpack games as much as possible. I love to read, take walks, work out and hang out with my family and friends.
