University: East Carolina University

Degree: Bachelor of Science in Communication
University: Appalachian State University

- First Aid Response Team Member

PERSONAL PROFILE

I am honored to have been at HGMS since the beginning! I love teaching Math and Science! We all have curiosities and Math and Science allow us to discover and explore new ideas and concepts that give roots to our curiosities and allows them to grow. As Alice in Wonderland says, "Curioser and curioser!"

My husband and I have two children: Mason and Katie. We also have two cats: Pumpkin and Junior. I was born and raised in the Cary/Apex area, so I am a native of the area. I enjoy drama, dance, singing, playing my flute, and being crafty.

"Every student WILL Succeed!"
