PERSONAL PROFILE

I have been teaching for 18 years. I graduated from Appalachian State University in 1991 and taught in Guilford County for 6 years. I earned my Master's Degree in Education at UNC-Greensboro during this time. In 1994 I took an educational leave to teach for 5 months in the Dominican Republic at Santiago Christian School. I taught in China during the summer of 2013. I love teaching, especially middle school math and science! I've taught 6th grade in Holly Springs since 2006.

I was born in Indiana and have lived in Holly Springs for 18 years. I'm married and have two amazing children; Jake(20) and Abby(16). We have 2 pets: Luna (cat) and Bo (dog). We all love the beach, swimming and being outside!
