University: North Carolina State University &
East Carolina University

PERSONAL PROFILE

I grew up on the coast near Wilmington, NC and have resided in the Raleigh area ever since graduating from NC State University. I enjoy traveling, playing sports, reading, snow skiing, and spending time with my husband, family, and two cats. During the summer, I like to visit Topsail Island and during the fall and winter I enjoy traveling to Lake Lure near Asheville. My favorite sports to play are volleyball and softball. I have taught English-Language Arts for my entire teaching career, and it has always been my favorite subject! My favorite genre to read is suspense/mystery.

“All students WILL succeed”
