### PERSONAL PROFILE

I was born and raised in Odessa, TX. In 1996, I graduated from Permian High School which is infamous for the book and movie “Friday Night Lights”. In 2001, I moved to North Carolina and worked for Duke Energy before deciding to make a career change in 2005. Teaching and coaching youth has always been a passion for me, so I returned to college to complete my bachelors’ degree and teaching certifications.

I am married and have two boys. My wife’s name is Isaida. Ezekiel (13) and Elijah (10) are my sons. I enjoy playing flag football in the fall and softball in the spring. Generally, I also coach recreational baseball in the spring and summer months.

I have taught and coached at Apex Middle and Wendell Middle Schools for the past 7 years. At Apex, I served as the BST assistant and was the assistant coach of the boys’ football and basketball teams. While at Wendell Middle, I served as the BST and head boys’ basketball coach. I am elated to join the Holly Grove Middle School staff as a Healthful Living and Physical Education teacher.
