PERSONAL PROFILE

This is my 21st year with Wake County Public Schools. I spent 2 years as a Teacher Assistant, 3 years as a Guidance Technician, 1 year as a Bookkeeper and the last 15 years as a Lead Secretary. My previous occupation was Program Director for an Early Childhood Education Center (12 years).

I am originally from San Antonio Texas but have lived in North Carolina since 1983. I live in Garner with my husband (Chuck) of 34 years. We have 2 wonderful children: David Webb and Danielle Webb Beavers. David has shared with us his wonderful Fiance, Wendy and her son, Tyler (now our adopted grandson). Danielle has given us a wonderful Son-In-Law, Jason and the best 2 grandchildren we could ever hope for. Our world is planned around Gracin Lee and Kylee Lorane.

We love spending as much time as possible with our children and we live for the weekend when we get to spend time with our grandkids. There is nothing better than spending a day exploring and having fun whether it's throwing rocks in the lake, finding bugs, riding bikes, playing in the mud or just some old-fashion water play.

In our leisure time, we enjoy going to church, taking walks, watching superhero movies and playing with our grandkids.

“All students Will succeed”
