FAMILY & CONSUMER SCIENCES

PROFESSIONAL PROFILE

Certification(s): Family and Consumer Sciences

Degree: Bachelor of Family and Consumer Sciences Education

University: East Carolina University

PERSONAL PROFILE

I grew up in New Jersey and have lived in North Carolina since 2007. After finishing college at ECU (Go Pirates!) I began teaching in Wake County. I love to travel as much as possible. Some of my favorite places include Ireland, Alaska, and Costa Rica. I got married in September 2017 and together my husband and I enjoy hiking with our dogs, camping, and spending time with family and friends.

"All students WILL succeed"
