EWMHS Student Services

November 30th 2023

Hello Warrior Family,
Are you wondering how our new magnet status impacts you? We hope you've already noticed some shifts and are taking advantage of the new AVID program in seminar. Staff is partnering with NC State to incorporate design thinking across all classrooms. Over time the magnet program will align directly with NCSU and Wake Tech. Students have an opportunity to participate in dual enrollment courses through CCP, and starting next year, even take courses at WTCC's newest campus, conveniently located right up the road. With our partnerships with WTCC and NC State, the [future is bright at EWMHS!](#) Don't hesitate to reach out to our magnet coordinator Dr. Price with any questions or concerns. (kvprice@wcpss.net)

Students are assigned a counselor based on their last name. Know who your counselor is:

Students	Counselor	Email

December 11-15	Presentations to 9th Grade Seminar Classes
December 14	College Tour at Fayetteville State
December 21	Enjoy your winter break!

News:

Did you know?

We have a SAP counselor, Ms. Lynch, who is dedicated to providing support to our students and families who have needs in housing, food insecurity, clothing needs, and more!

You can reach her at mlynch3@wcpss.net

We are also very proud to share that we have a food pantry on campus. Learn more [here](#).

Looking Ahead...

As we inch closer to the end of 2023 we also approach the end of the fall semester. Be sure to stay on top of your grades, prepare for exams, and finish up this semester strong. Remember all your final grades are reported on your transcript which includes all the classes you take, your GPA, and class rank. Your transcript is an important part of the college application process and can be requested by employers, the military, and scholarship organizations. Don't limit your options for your life beyond high school!
