

# Douglas' 4/17/22 Message

## Hello Dragon Families!

Mensaje está en español a continuación

Welcome Back! We hope everyone had a fantástica break and look forward to seeing all of our Dragon Scholars tomorrow morning.

**Book Fair:** Our spring book fair will be in-person and will run from Wednesday, April 20 through Friday, April 29.

**New Assistant Principal:** Please join me in welcoming Ms. Carol Mohn, our assistant principal. She will be joining us on Monday, April 18. Please read her letter below.

Dear Douglas Students and Families,

I am humbled and excited to introduce myself to you as the newest assistant principal of Douglas Magnet Elementary School! I am truly honored to be joining the Douglas Dragons community, and I look forward to getting to know you in the coming months. I am committed to partnering with each of you to grow and develop the individual strengths of the phenomenal learners at Douglas.

I am a North Carolina native with twenty-two years of K-8 educational experience as a teacher, instructional coach, and assistant principal in Orange and Wake Counties. I earned a Bachelor of Arts in Elementary Education and Mathematics from the University of North Carolina (Go Heels!), a Master of Education from Meredith College, and a Master of School Administration from the University of North Carolina. Additionally, I am a National Board Certified Teacher in the area of Literacy: Reading-Language Arts - Early and Middle Childhood. I am passionate about creating equitable learning experiences and social interactions that build on students' individual and collective strengths. I thrive on building meaningful, positive relationships that support a collaborative, inclusive environment for all stakeholders.

I am the proud mother of five incredible children (Colin, Vivian, Kerline, Estere, and Isaiah), two of whom are current students in the Wake County Public School System. We are an active family who enjoys time outdoors and exploring all of the beautiful, natural surroundings in our community. I am also an avid runner and voracious reader.

I eagerly anticipate learning more about the Douglas Magnet Elementary School community and partnering together to carry out its mission and vision. I truly look forward to

the shared experiences we will have together as we lean into our collective passions and grow in life together!

Warmest regards,

Carol Mohn
