

Douglas' 5/22/22 Message

Hello Dragon Families!

Mensaje está en español a continuación

Grades 3-5 EOG Assessment Dates: Soon students in grades 3,4 and 5 will take the North Carolina End-Of-Grade Test for English Language Arts/Reading and Mathematics. Fifth grade students will also take the EOG test for Science. These assessments are designed to help measure students' yearlong progress on objectives within the three subject areas mentioned above. Listed below is our current testing schedule for Grades 3-5.

Friday, May 27 - Gr. 5 Science

Tuesday, May 30- Gr. 3-5 Reading

Wednesday, June 1- Gr. 3-5 Math

Thursday June 2- EOG makeups

Friday, June 3- Read to Achieve Testing

It is very important for students to be at school during this assessment window.

Please avoid absences or scheduling other appointments during these times, and make sure that your child arrives at school before 9:15 a.m. If you have any questions or concerns, please feel free to call or email your child's teacher.

5th Grade Ceremony and Celebration: On Friday, 6/10/2022 we will have our 5th Grade Celebration. The times are 10:00 - 11:30. Students will receive certificates of participation and enjoy cupcakes with their friends and family. We hope you can join us as, "Once a Dragon, always a Dragon!"

Teacher Request: We will not be accepting specific teacher requests. As a staff, we will be very strategic in the development of class rosters. We will take into account the needs of individual children and the ways they relate to various teacher styles. We will work collaboratively to determine which children work well together and those who do not. Each class will be balanced as much as possible with an equal number of boys and girls, range abilities, and needs. These decisions will be made very carefully by considering the best learning situation for all of our children. You may submit an email describing your child and their needs. Please submit your email by Wednesday, June 1, 2022.

Things to consider including;

- traits and characteristics of your child that most affect his/her learning
- traits and characteristics of a teacher that will facilitate your child's learning.
- the type of educational setting you feel will best meet your child's needs.

Kind regards,

Tiffany Faison-Bullock and Carol Mohn
