

Parents and Guardians,

I am writing to inform you of a change to the multi-track year-round calendar for this school year that will affect all Pre-K through 8th grade students. This change is a result of North Carolina general statute that provides students an opportunity to participate in a remediation and retesting program.

In order to offer remediation and re-testing during this current school year, the district has approved shifting the last day of school for all tracks due to having banked instructional hours for students. Families of students in 3rd-5th grade will be notified by their school if they are eligible for remediation and retesting.

The new dates for the last day of school for students are as follows:

Year-Round Track 1:

Last day of school for **all students:** June 2

Remediation/ Readministration Dates: June 3 and 6

Year-Round Tracks 2, 3 and 4:

Last day of school for **all students:** June 27

Remediation/ Readministration Dates: June 28 and 29

Please accept my apologies for any inconveniences rendered. Your child's teacher/school will send specific information about any adjustments to calendar events that may be impacted by shifting the last day of school. If you have any questions or concerns, please do not hesitate to contact my office at 919.533.7749.

Kind Regards,

Clinton L. Robinson, Jr.

Sarah Simmons
