

# VIRTUAL CURRICULUM NIGHT!

Hi there Kingswood Families! We will be hosting our first Virtual Curriculum Night on **October 20th from 6:30-7:30!** Families are invited to join as a whole school for a brief welcome and message from Ms. Sherry, Mr. Norton, and the PTA and then encouraged to join your student's grade level session.

Teachers will be giving an overview of the skills and topics that have been covered in first quarter, as well as the skills and topics that will be covered for the rest of the year! All sessions will be recorded in the event that you are unable to attend. Below, you will find the Google Meet Links for each grade level session as well as the whole school meet!
