Hello West Cary Families, this is Mike James, principal with your weekly news and updates

### **Preparing For School at West Cary**

Parents/Guardians – the information and links below are excellent places to help your students get started this school year. The information can also be found on our school website.

### **ELA and Mathematics Materials Pick Up**

Parents can pick up English-Language Arts and Mathematics materials this next week at school. These materials are available for all of our students regardless of the learning environment your child is assigned to (Virtual Academy or Remote Learning and Face-to-Face when we go to Plan B). Please have your child's name written on a piece of plain paper and placed on the dashboard of your car. This will help us serve you better and faster to pick up the materials. The materials will be picked up in the carpool lane and parents and children will remain in their automobile. WCMS staff will serve you at your automobile door. The link below takes you to our full schedule for school materials pick up.
