

MPMS School Supply List 2022 – 2023

Notes about Supplies for the 2022- 2023 School Year

This year at MPMS, students will be expected to carry all supplies and notebooks with them in a personal backpack. Lockers will not be available for use. We have done our best to condense the supply list down so that our students can easily carry their supplies throughout the day. *All personal items should be labeled with student’s first and last name.
