2. Our school twitter: @TimberDriveES
3. Our weekly phone message. Mr. Warren will send out a phone message at least once per week. This year, the phone call will be accompanied by a text message that contains a link to the message on our website. This will allow you to revisit the message if you miss the phone call.
4. **UPDATE: The district automatically opted everyone in to text message updates on April 13.**
If you had previously opted OUT, but want back IN, text YES to 67587.
5. Do you have a new phone number or email address? Please contact your child's teacher AND our front office so that we have the most up-to-date information.

EOG Testing

Students in 3rd and 4th grade will take the Reading and Math EOG in June.

Students in 5th grade will take the Reading, Math, and Science EOG in June.

The testing schedule will be shared with families as soon as we confirm the dates, but testing will likely occur during the second and third week in June.

June 28 is the last day of school for all students.

Some students will be invited to retest on June 29 and 30, but this is optional and families will be contacted directly by their teacher if this applies to them.
